Z-013 POWER FOAM CANNON

The Tornado® Z-013 Power Foam Cannon is the perfect tool for expediting the cleaning process, by blasting a high volume of thick foam onto surfaces quickly. The wider spray nozzle provides for superior coverage. The Z-013 is highly adjustable allowing for control of the size of the spray pattern, the volume of the foam and also the orientation of the spray pattern to vertical or horizontal. A must have for every detailer or enthusiast.
